Personal Philosophy

Time is a store of value much higher than any precious currency or material. Throughout our lives time acquires with money, we buy time. My job as DevOps is to automate and industrialize processes, so generate time for team and therefore value.

Awards

2016 Winner of squad incubator contest

French annual IT innovation contest

Design a DevOps solution for automatizing security scanning on web apps

CI/CD workflow and project lifecycle

Contributions to open source projects

automation	Red Hat - ansible bugfix, code cleaning, implementing tests	community contributor
api	OVH - official python API apply python best practices	community contributor
time series	Elastic Search - curator improve packaging	community contributor
network	Github - octodns (official github project) upgrading python packaging method	community contributor
system	Alpine Linux - aports package maintaining, proposal new testing packages	community contributor
monitoring	Bleemeo - bleemeo-agent upgrading python packaging method	community contributor
versioning	Git - git introduce python best practices	community contributor
tooling	Julien Danjou - Git Pull Request implementing new features	community contributor
framework	Django webpack loader introduce python best practices	community contributor
testing	Pyroma implementing new features	community contributor

Experience

03-17 - Now Lead cloud DevOps architect Squad / Orange OINIS ITE, Toulouse, France Architect, design, and deliver technical solutions for automatizing deployment of openstack tripleO platform. Design django webapp for manage openstack configuration, design CI/CD system and infrastructure automation strategy.

09-16 - 03-17 **DevOps architect and Python lead developer** Squad / CNES, Toulouse, France Architect, design, develop and deliver european space program ISIS guidance system. Manage project workflow.

05-16 - Now **DevOps Technical Leader** Squad (internal), Toulouse, France Team Technical management, manage DevOps community, animate technical events, create design and setup the squad official software forge. Apply security ehancements and best practices.

04-14 - 04-16 **DevOps architect**

BULL / EDF. Toulouse. France

Design and develop algorithms, solutions for call center and workload management system. Design and develop multi-channel agent desktop. Create and develop Python/Django webapps for generating, deploye, and maintaince version for C# project (automatized CI/CD).

09-13 - 03-14 **Embedded Software Engineer**Design continuous integration, design system architecture, AIX5.3 and Unix software.

02-13 - 09-13 **Software Engineer**

BULL / DCNS, Toulon, France

Design and develop electronic warefare system on the FREMM frigate project.

06-11 - 01-13 **Frontend / Backend Web Developer**Design and development of a world expert online exhibitions website on Linux/Apache/PHP/Zend platform. Design, development of a Python web crawler.

04-11 - 06-11 **System Administrator / Backend Developer**Maintain data center environmental and monitoring equipment (IBM AS400).

Virtualize physical server. PHP Development of stock managment software.

10-10 - 03-11 **Frontend Web / Backend Developer**Management and migration of servers. Development of php web microframework. Development of web templates and interfaces. Management of SQL databases.

12-04 - 01-09 **Buisness Owner**

Damofli Fruits & Legumes, France

Manage marketing operations, accounting, sales plans, inventory management.

09-01 - 11-04 Landscape Architect

Local Council of Martigues, France

Manage marketing operations, accounting, sales plans, inventory management.

Education

2010 - now **Engineer Degree in Computer Science** CNAM Aix en Provence, France

Curriculum information systems.

Main subjects: Systems & Software Architecture and Security, Urbanism for Evolving Systems.

2009 - 2010 BTEC Higher National Diploma in Software Development AFPA Istres,

France

Main subjects: Software Architecture, Modeling Tools (Merise, UML).

1999 - 2001 BTEC National Diploma in Landscape Architect Lycée Fontlongue Miramas,

France

Agricultural college.

Main subjects: Design Public Landscape.

1997 - 1999 BTEC First Diploma in Nursery Gardener Lycée Fontlongue Miramas, France

Agricultural college.

Main subjects: Cultivating, Harvesting, Transplanting Trees, Shrubs or Plants.
